ECON NEWS 21

20 AUGUST 2012

WHERE TO EAT LUNCH?

The canteen in the S-building will not be ready on 20 August after all, and we have not yet been informed of a new opening date. So till it opens you may use the café in the M-building (2nd floor) or Najibs Sandwichbar which is located a few minutes' walk from Fuglesangs Allé at Viborgvej 28.

The staff canteen will be located in L141. The final details concerning the running of the staff canteen are not yet in place, so we still don't know when it will be ready to serve lunch for us. We hope to set up a temporary staff lunch arrangement once the kitchen in the S-building is up and running.

TRAVEL SETTLEMENTS ULTIMO AUGUST

In this busy relocation period, Ingrid Lautrup and Christel B. Mortensen do not have time to do travel settlements in AURUS. They will get to it before the end of August.

The AURUS system will send out reminders automatically, but Lene Bavnbeek Enevoldsen has notified Martha V. Berdiin at BSS Finance and Planning about the delay so you should just ignore the reminders.

NEW SYSTEM TO REGISTER ABSENCE

As of 20 September absence due to illness, holiday etc. will be registered in a new system called AUHRA. At the Department of Economics and Business, [Ingrid Lautrup](#) (and [Annette R. Madsen](#) for NCRR) will be handling the registration of absence in AUHRA. This means that you must contact Ingrid: inl@asb.dk, 87165372 (or Annette: arm@ncrr.dk, 8716 5312 for NCRR) if you are absent due to illness, holiday etc.

NEW EAN- AND PLACE NUMBERS

From now on the department has only one EAN number: 5798000419483. Please use this number from now on.

This is 8000c's old EAN number which means that ex-Hermodsvej and ex-Fuglesangs Allé employees need to pay extra attention to this:

IMPORTANT: Any subscriptions or other ongoing payments (e.g. internet connections, magazines etc.) must be changed to the new EAN number. You will need to contact the supplier directly in order to do this.

Invoices **MUST** be sent to the new EAN number from 20 August in order to insure that they are paid correctly.

Our new "stedkode" (place code) is 5611.

National Centre for Register-based Research (NCRR) have got their own EAN number: 5798000419469 and place code: 5621.
