Apologies received from: Allan Würtz, Karin Winding,

Moderator: Lars Relund Nielsen. Notetaker: Mette Vad Andersen

### **1. Agenda: hearing of the preliminary report – by the internal report group.**

Purpose: to put together a declaration to the report group.

The preliminary report was discussed and different viewpoints were presented by the participants.

Due to the tight timeline of the process it was agreed that the purpose was to send comments to the report group concerning minor modifications of the report as opposed to substantial content adjustments.

Lars Relund put together the input which was sent to the report group.
