DEADLINE FOR ENTERING MARKS FOR THE ORDINARY SUMMER EXAM 2016

Due to the planning of re-exams in August, deadline for entering marks for the ordinary summer exam is

8 July 2016

This means that the results of exams taking place after 8 June must be entered before 8 July.

The results of exams held before 8 June must be entered no more than 4 weeks after the exam as usual.

The reason for setting the deadline on 8 July is:

- to be able to provide the students with a re-exam plan in due time before their re-exam
- to give UVA/EKA time to sign-up the students for the re-exams
- to give Study Plan time to make a re-exam plan
- to give BSS IT Support time to plan the support of the digital exams

Note also that marks for final exams, i.e. exams, assignments or projects that mark the end of a bachelor's or master's degree programme, must be entered no later than 30 June as usual.

If you have questions regarding the re-exams, please contact your study supporter ([list of study supporters](#)).

CREDIT CARD FRAUD

There has been a general increase in the number of cases of credit card fraud during the past year.

SEB Kort, who is the provider of AU credit cards, monitors all transactions and steps in if they suspect a fraudulent transaction, but it is up to the card holder to check that the transactions are correct.

So if you have an AU credit card, make sure to check regularly that your transactions in AURUS are correct (i.e. made by you) and block the card immediately by calling SEB Kort: 36 73 74 50 if you suspect that your credit card has been misused.
